All information, which identifies the child including hand written notes, will be kept securely.

We adhere to the legal requirements set out in the Statutory Framework for the Early Years Foundation Stage (EYFS) 2021. We follow regulations concerning the information that we must hold, regarding the registered children, their families and staff working at the setting.

Parents have the rights to see their own child's records on request. Personal information will not be disclosed except where it may put the child's safety or well being at risk, for example:-

- To enable Social Care and Health or the police to investigate if a child is considered at risk, or by court order.
- In connection with legal proceedings or where obliged by law to provide information to a third party.
- To prevent harm. Information regarding a child's illness or allergy will be passed on to all staff. Details of illness or allergies are displayed, to remind staff, in secure areas only accessed by staff members.

All staff adhere to the confidentiality policy. Confidential information given by parents will only be passed onto members of staff on a need to know basis.

There may be times when particular children need additional support from other professionals for example, Speech Therapist or Health Visitor. Parental consent will be required before we pass on this information.
